<a href="#">KOR/156/Add.1</a>	02/02/09	s/f	Meat (beef, pork)	Republic of Korea - Meat (beef, pork) – Addendum The MIFAFF proposed amendment of the 'MIFAFF Notice for Classifying Meat Parts by Cut, Grade and Type'. The main contents of this draft revised Notice are MIFAFF Public Notice No. 2008-348 of 19 December 2008 as follows: Coverage of the Notice is extended to chicken and duck meat; Different kind of primal cuts can be displayed on the same meat tray; Meat grade of bacon and pork neck should be labelled at the meat store (only applicable to the domestic products); Meats should be displayed with a panel or package clearly describing the kind of meat, country of origin, name of parts, meat grade, name of slaughtering plant(only for domestic meats), animal identification number(only for domestic beef), BL number(only for imported beef) and price per 100g of meat. The amended Ministerial Ordinance for the Livestock Products Processing Act requires meat seller to display meats with a panel or package clearly describing such information.
<a href="#">KOR/204</a>	17/02/09	16/04/09	Organic processed foods	Republic of Korea - Organic processed foods Certifying organic processed foods is for the purpose of improving the quality of organic processed foods, encouraging their production, and protecting their consumers. Based on Article 23 of the Food Industry Promotion Act (established 28 June 2008) the MIFAFF shall set one year for the term of validity of certified organic processed foods. If those who are seeking to import or distribute organic food belonging to the following, they are allowed to use certified organic food labelling. Manufacturers in importing nations, which are issued the certificates of organic processed food by MIFAFF guaranteed certification agencies (including foreign agencies). The Orders of the MIFAFF shall provide the procedures and criteria for the certification of organic processed foods, the kinds of and the selection criteria for permitted organic substances, the criteria for handling organic foods, and regular examinations to confirm if the criteria for certifying organic processed foods are observed or not. The certification of organic processed foods shall be valid for one year and the period can be extended; and a regular examination shall be conducted each year after the first certification of the foods. To specify the guidelines the MIFAFF announced 'the guidelines for designating and operating fine food certification agencies' [Notification of the MIFAFF number 2008-116 (19 December 2008)].

G/TBT/N/*	SDD	Fecha Límite	Producto	Miembro/Proyecto
				Moreover, details for efficient operation of the organic processed foods certification system are found in 'the operational guidelines for the organic processed foods certification system' [Notification of the MIFAFF number 2008-120 (19 December 2008)]. The guidelines comprise the scope of the application of the certification system, the criteria for the certification and handling and the labelling of the certification.
