KOR/279	06/07/10	04/09/10	Cosmetics	Republic of Korea - Cosmetics This proposed amendment is to obligate the cosmetics manufacturers and importers to inscribe safety information and directions for the use of cosmetics on containers, packages or labels.
KOR/280	08/07/10	06/09/10	Cosmetics	Republic of Korea - Cosmetics This proposed amendment is to restrict the use of below ingredients in cosmetics; The human cell, tissue and the culture extracts of human cell tissue which are inconsistent with safety standards (annex 5).
KOR/281	08/07/10	06/09/10	Foods	Republic of Korea - Foods The proposed revision is to require the following- to reform labelling method in case of indicating phrases related to irradiation treatment, and under this revision stickers, labels and tags available. And in case of having difficulty confirming which raw materials were irradiated, this revision allows to mark contents that it contains portions of irradiated raw materials.
KOR/282	28/07/10	26/09/10	Livestock products	Republic of Korea - Livestock products The MIFAFF proposed the amendment of the Presidential Ordinance and the Ministerial Ordinance of the 'Livestock Products Sanitation Act' to provide the revised and newly mandated rules in the Act, which was amended and promulgated on the 25th May, 2010. The main contents of this draft reflect the provisions for extension of the sanitary education, the reinforcement of the publication, the modification of administrative punishment, fine imposition and penal regulations and the extension of the scope of HACCP accreditation. It also includes regulatory reform, and supplements the existing provisions that were inadequate. - Amendment of the Presidential Ordinance of the Livestock Products Sanitation Act To introduce the compulsory packaging of chicken and duck meat in whole distribution and sale channel; To introduce a new rule on the compulsory packaging of hen eggs in the category of the edible eggs; To establish a new business (Livestock products cutting sales business) which cuts processed livestock product such as fermented fresh Ham in front of consumers and sells partially cut pieces directly to them; To establish a new business (shell egg sales business) which specializes in collecting and distributing hen eggs; To amend the standard of imposing fines and penalty in accordance with the change in upper limit. - Amendment of the Ministerial Ordinance of the Livestock Products Sanitation Act As to the method and procedures of the Livestock product HACCP verification and assessment, Governors of local governments and president of the KOLPHAS (Korea Livestock Products HACCP Accreditation Service) shall make a monthly report to Director General of the NVRQS (National Veterinary Research & Quarantine Service) after conducting government verification through the record review and on-site observation; Director General of the NVRQS may designate items that can be possibly diverted from its original purpose among the declared import livestock products and shall share the information with the authorized local government; To establish Sampling procedures for the livestock products which are consumed by the E-commerce and mail order. In that case, the delivery may be accepted and issuing of certificate to prove sampling is not needed; Only Ham and Cheese products shall be accepted in the so-called livestock products cutting sales business; To develop operators responsibilities of new business fields such as

G/TBT/N/*	SDD	Fecha Límite	Producto	Miembro/Proyecto
				livestock products cutting sales business and shell egg sale business, and to modify part of the existing operators responsibilities; As to the rationalization of the scope of the mislabelling and the exaggerative advertisement, to clarify ambiguous or inadequate provisions; To require business operators and employees to get sanitary education annually; To identify list of minor violations whose penalty has been converted from penal regulation to fine imposition.
