MAR/43	13/01/2016	s/f	Juices and nectars	Morocco - Juices and nectars Draft Decree on the quality and safety of fruit and vegetable juices and juice concentrates and fruit nectars available on the market In light of the development of the market for these products and the increasing level of competition resulting from the opening of borders, it was considered necessary to establish a reference framework that would help facilitate trade while safeguarding aspects related to product quality and safety, consumer information and fair trade. Accordingly, and with a view to addressing industry concerns,

G/SPS/N*	SDD	Fecha Límite	Producto	Miembro/Proyecto
				<p>the Ministry of Agriculture and Marine Fisheries prepared a draft decree governing the sector in question. The main objectives of this draft text are as follows:</p> <ul style="list-style-type: none"> - to modify the content of juice of certain fruits in manufactured nectars, taking into account international requirements; - to provide for the production of nectars without added sugars or with a low energy content. In these products, sugars are partly or completely replaced by artificial sweeteners that are permitted under existing regulations; - to provide for mixtures of fruit juice and vegetable juice; and <p>to clearly establish labelling specifications for the products subject to this draft decree, so as to prevent any form of misunderstanding.</p>

THA/230/Add.1	05/01/2016	s/f	Food additives	Thailand - Food additives - Addendum (in Thai) MOPH Food Additives (No. 3)
THA/234	08/01/2016	08/03/2016	Food additives	Thailand - Food additives (in Thai 1,2,3) Draft Ministry of Public Health Notification, No. ... B.E. entitled "Food Additives (No. 4)" The Ministry of Public Health (MOPH) considered that it was appropriate to revise the detail of maximum use levels permitted for food additives including Cyclamate and Steviol glycoside as follows: Clause 1. The following Notifications shall be repealed: 1) The Notification of the Ministry of Public Health No. 359 B.E. 2556 (2013), Re: Cyclamate, dated on 8 July B.E. 2556 (2013); 2) The Notification of the Ministry of Public Health No. 360 B.E. 2556 (2013), Re: Steviol glycoside, dated on 8 July B.E. 2556 (2013). Clause 2. Clause 6 of the Notification of the Ministry of Public Health No. 281 B.E. 2547 (2004) on Food Additives, dated on 18 August B.E. 2547 (2004) shall be repealed and replaced by the following provision: "Clause 6 the use of food additives shall use following the name of food additive, category or type of food, functional classes and maximum permitted use level according to annex I and annex II of this Notification." - Two or more food additives classified in the same functional classes, which have been determined the numeric maximum permitted level, are used in combination. The sum of the quantities obtained by dividing the amount of each food additive used by the maximum permitted level for that food additive must not exceed one. - The use of food additives that differs from the statement stipulated in the first and second paragraph shall be approved by the Food and Drug Administration. Such food additives shall be evaluated safety assessment according to the rules, conditions and procedures for permission as follows: 1) Food additives shall have the qualities or standards according to the Codex Advisory Specification for the Identity and Purity of Food Additives or the announcement of the Food and Drug Administration; 2) The dietary exposure of food additives shall be evaluated according to the principle approved by the Food Committee; 3) Food additives shall have the technical documents or reliable research publications supporting the necessity of using such additives in food; 4) Use of food additives shall comply with the current law and regulation of at least two countries, which have the reliable

G/SPS/N*	SDD	Fecha Límite	Producto	Miembro/Proyecto
				<p>risk assessment system, namely the European Union, Australia, New Zealand, the United States of America and Japan.</p> <p>- The use of food additives according to the first, second and third paragraph shall not enforce on the specific controlled food or prescribed food quality or standard particularly stipulating in the Notification of the Ministry of Public Health on using food additives.</p> <p>Clause 3. Clause 7 of the Notification of the Ministry of Public Health No. 281 B.E. 2547 (2004), Re: Food Additives, dated on 18 August B.E. 2547 (2004) shall be repealed.</p> <p>Clause 4. The manufacturer or food importer, obtaining a permission prior to the effective date of this Notification, shall comply with this Notification within one year from the effective date.</p> <p>Clause 5. This Notification shall come into force as from the date of its publication in the Royal Gazette.</p>
