

Addendum to  
The Decision of Eurasia  
Economic Commission Council  
Dated \_\_\_\_\_ No. \_\_\_\_\_

**Amendments No. 2**  
**To Technical Regulations of the Customs Union on the**  
**Safety of Toys (TRCU 008/2011)**

1. The following paragraph is to be incorporated into Article 2 following Paragraph nineteen:  
“- the evaluation of psychology and education experts is an examination whether children’s goods meet the criteria of psychological and educational safety to ensure moral and emotional wellbeing of children”;
2. Article 3 shall be appended with Paragraph 4 as follows:  
“4. Toys are put on the market when they meet the requirements of psychological and educational safety based upon the evaluation of psychology and education experts performed pursuant to national laws of the Customs Union members”;
3. The following paragraph shall be incorporated into Article 4 after the first paragraph:  
“Absence of risk affecting the moral and emotional wellbeing of children, including:
  - provoking aggressive behavior in children;
  - causing cruelty in children towards game characters played by their playmates (their peers or adults) or towards an action game itself;
  - provoking a game plot associated with immorality and violence;
  - causing unhealthy interest in sexual issues beyond the sphere of the child’s age competence;
  - provoking children to denigrate the issues of race and disability of other people or causing negative attitude toward these issues;
  - arousing interest in adult gambling, promoting the development of gambling addiction (pathological involvement in gambling”).
